VOL. LXXVII, NUMBER 10

EMIL R. LUBKEMAN, long-time Antioch businessman, has sold his bottled gas company to Hicksgas of Lake Villa.

Local Business Purchased By Hicksgas

Emil R. Lubkeman of Antioch, for many years owner of the Lake Region Bottled Gas Service, has sold his business to Hicksgas-Lake Villa, Inc. for reasons of health.

He announced his retirement and withdrawal from the bottled gas business as of September 4.

Mr. Lubkeman announced that service to his customers will continue, with the same driver, James Miller, answering local customer's calls for service. Mr. Lubkeman insisted that the services of his driver be retained. However, customer's will now call El 6-8225, when desiring service, and will be supplied and billed by Hicksgas.

Jim Reid, manager of Hicksgas in Lake Villa which has supplied bottled gas customers in Lake Villa for several years, commented that he was pleased with the extension of his business and hoped to serve Antioch customers satisfactorily for many years.

Emmons School Has 95 Students in '62

Emmons School opened Tuesday with an enrollment of 95 pupils.

Teachers in the school are Mrs. Argia Sobbe, 1st and 2nd grade, returning to Emmons for the fourth year; Mrs. Phyllis Paulson, 3rd and 4th grade, her third year at Emmons; Mrs. Bessie Sander, who received her B.S. in Elementary Education this summer, will be teaching the 5th and 6th grades, in her eighth year at the school; and John Yards, in his third year as Principal of the school, will teach 7th and 8th grades. Mr. Yards has a B.S. and M.S. degree in Education.

Morning Bus Schedule
Clarence Haase, driver, for Emmons Grade School, District No. 33.

Bus Stop	Time a.m.

Klopp's Farm	8:50
Ferri's Farm	8:52
Emmons School	8:55

New Report Issued By Health Department

The Lake County Regional Planning Commission and the Lake County Health Department have issued a report, "Planning the Environment" which sets forth guides for planning environment health.

The survey report, which embraces all of Lake County, deals with physical planning for water supply, sanitary sewerage, refuse disposal, air pollution, housing and other aspects of utilities and services significant for public health. It is believed that this report is the first of its kind ever undertaken.

Quiet Weekend Says Sheriff's Office

The Sheriff's office at Waukegan reported today that it was "a very quiet Labor Day weekend, accident wise." Only one fatality was reported in Lake County over the "Dangerous Labor Day Holidays."

The only accident involving injuries in the Antioch vicinity occurred when Albert Yanka, 22 of Antioch, struck an auto driven by Harold Schulz, 50, of St. Charles, Ill.

Yanka was traveling west on highway 173 when he struck the Schulz vehicle as Schulz was making a left turn into Paty's Lounge.

Both parties suffered minor cuts and bruises, no arrests were made. Passengers in the Schulz car, Mary Schulz, 47, and Michael, 5, also suffered cuts and bruises.

Rescue Squad Fund Grows

Louis Schaefer, Joe E. Horton, Albert Ulrich, L. Kuba, J. H. Hanzel, Nick Kantos, John Lehmer, Fred Schneider, E. Schoeppe, Minnie C. Sheen, R. A. Benpamin, L. Ackerman, G. Earns Degree at U.

William G. Neubauer of 1054 Victoria St., Antioch, is one of the 998 summer graduates of the University of Illinois.

Mr. Neubauer received a Master of Education degree from the University.

Hilarious Ads

Mistakes will happen. We proved that last week, with unintentionally humorous results.

Maybe you noticed the Classified Ad we refer to. In one of those masterpieces of confusion it is best not to try to explain, we inserted an ad which read, "For Sale - Bed and springs, practically no mattress," instead of new mattress.

Fortunately, our advertiser had a sense of humor. She stopped in to console with us and report that we could discontinue the ad as the bed was sold. And consoled us by pointing out that we were no worse than another local sheet which had advertised a "three bedroom horse for sale."

Tavern's Doors Stay Open

The Last Resort was open Labor Day.

Its license revoked by the Lake County Liquor Commission, the tavern appealed the case to the State Liquor Commission, and obtained an injunction permitting it to operate pending the hearing of its appeal by that board.

In the interim, the Lake County Liquor Commission filed new charges of selling liquor to minors against the tavern. The new case was occasioned by an automobile accident involving two teenage girls who said they had purchased liquor at the Last Resort.

At Friday's hearing of the case against the tavern, the two 19 year old girls testified that they had purchased liquor at the Last Resort, and that, in fact, the owner of the place had bought them a drink.

Witnesses for the Liquor Board testified at Friday's hearing. There was not time Friday to hear witnesses slated to testify in defense of the Last Resort, so the case was continued until 10 a.m. Thursday, September 6.

Should the liquor commission find the resort guilty of the charge placed against them, it is questionable, according to Lloyd Murrie, member of the board, if the Liquor Commission can close the tavern, in view of the injunction under which the tavern is now operating. This matter will be decided by the State's Attorney at Thursday's hearing.

The strike of Plumber's Local 93, Lake County union of Plumbers, ended when the union voted to accept a two-year contract with the Plumbers' & Heaters Contractors Assoc. Tuesday night.

The contractor's had accepted and signed the proposed agreement earlier that afternoon.

The two year contract finally accepted by the union calls for a twenty-cent-an-hour wage boost, retro-active to August 1. The disputed matter of working rules has been entirely eliminated in the new contract. Working rules under the new contract will be determined by the code of the community in which the work is being done.

No raise in actual wages is scheduled for the second year of the two-year contract. Instead, workers have agreed to accept a 20c an hour establishment of fringe benefits in the form of health, welfare and retirement benefits.

Union members originally asked for a 3-year contract, retroactive to June 1, with a 20c raise in pay each year and no change in working rules.

To the present time, the Plumber's Union has had no health, welfare and retirement benefits. Plans for the new benefits, said Killan, president of the Plumbers' and Heaters Contractors Assoc., will be worked out between now and next June 1, when the new plan will be initiated.

Plumber's Local No. 93 went on strike on Monday, August 27. On September 5, union members returned to work.

Dirksen Calls Off Campaign Speeches

WASHINGTON, D. C.—Drawing attention to tax and appropriation measures still pending before Congress, Senator Everett McKinley Dirksen, Republican Minority Leader, today announced cancellations of a good many campaign speeches during September in Illinois.

"This is a time for action on taxes and spending and other important measures and not talk," Senator Dirksen stated.

Senator Dirksen will be in Rockford on Labor Day and counts upon appearing in Lake County and Proviso Township on the following Sunday.

District Trustees Propose Unified Water and Sewerage

The District Trustees of the Lake County Public Water District met recently with the Lake County Board of Supervisors and submitted their proposal for Countywide water and sewerage.

The District stated that it was prepared to proceed immediately on the implementation of this proposal and would co-operate to the fullest extent with all County departments and the County Planning Commission.

The Lake County Public Water District came into being in April of 1951 by public referendum and is authorized to construct, operate and maintain waterworks and sewerage works in all of Lake County except Waukegan, North Chicago, Lake Forest, Highland Park and Great Lakes and Fort Sheridan.

Since 1960 the District has given attention to the sanitary sewerage problems of the County.

Their proposal stated that the District is prepared to furnish water and sewer service to unincorporated areas in the County as the need arises.

Provisions were included in the proposal for the testing and inspection of private water and sewerage systems, the review and approval of

proposed water and sewerage system for new housing, commercial or industrial developments, and to study the feasibility of providing water and sewerage service in existing built-up areas.

The District's goal is the establishment of a unified water supply and sewerage system for the County. "Under the operating control of a single authority isolated systems which heretofore have been a source of trouble, can be made to operate efficiently and adequately," the proposal said.

The proposal also established that it will not construct, operate or maintain any sanitary sewerage facilities that will compete with any established municipal water or sewer utility without prior consent of the municipality.

Concluding, the report said, "Proper action by the County Board of Supervisors to accept these proposals and set up the machinery for joint action will provide the County with a single authority responsible for water supply and sanitary sewerage."

The Public Works Committee of the County Board promised to give the District's proposal serious consideration.

Antioch Hires New Teacher

The Antioch Elementary School has hired a much-needed kindergarten teacher, Richard Whitacre, principal of the school, has announced.

The new teacher is Miss Mary McCann of Lake Villa. She will teach a half-day class in the Oakland school.

In spite of the fact that the additional kindergarten teacher has been secured, tuition kindergarten pupils from outside the district will not be accepted this year. The board of education had previously voted to exclude such pupils, and, because of increased enrollment within the district, the ruling will be adhered to.

Plumbers Back To Work Wed.

The strike of Plumber's Local 93, Lake County union of Plumbers, ended when the union voted to accept a two-year contract with the Plumbers' & Heaters Contractors Assoc. Tuesday night.

The contractor's had accepted and signed the proposed agreement earlier that afternoon.

The two year contract finally accepted by the union calls for a twenty-cent-an-hour wage boost, retro-active to August 1. The disputed matter of working rules has been entirely eliminated in the new contract. Working rules under the new contract will be determined by the code of the community in which the work is being done.

No raise in actual wages is scheduled for the second year of the two-year contract. Instead, workers have agreed to accept a 20c an hour establishment of fringe benefits in the form of health, welfare and retirement benefits.

Union members originally asked for a 3-year contract, retroactive to June 1, with a 20c raise in pay each year and no change in working rules.

To the present time, the Plumber's Union has had no health, welfare and retirement benefits. Plans for the new benefits, said Killan, president of the Plumbers' and Heaters Contractors Assoc., will be worked out between now and next June 1, when the new plan will be initiated.

Plumber's Local No. 93 went on strike on Monday, August 27. On September 5, union members returned to work.

Work On N. Main Street Stalled -- State Regulations

Antioch Men Advise Young J. A. Members

William Deering, 1055 Victoria St., Antioch, and Paul Williamson, 161 Grand Ave., Lake Villa, are among volunteers being trained as Advisers in the Junior Achievement program.

J. A. Advisers help young people to form companies, merchandise their products, and in general get a business-like training in the organization and running of a business, at the same time making money by their efforts.

While aiding teen-agers in their venture into business, the J. A. Advisers themselves get valuable training. They get an over-all look at the primary corporate functions of management, production and sales, and how they are geared together to establish a profitable enterprise and they get an opportunity to work with the community's teen-agers in a way which develops their personal qualities of leadership, teamwork, responsibility and initiative.

"Precision" Is The Word In Building Bowling Alley

If you're a bowler, occasional or enthusiastic, maybe you've wondered how those smooth, even alleys get that way. You can see the process by going to the Antioch Bowl, where eight new alleys are being installed.

The one and one-eighth inch boards that make up the alley are nailed together with screw nails, which turn as they are driven in. These are special, high-carbon nails, which will break but not bend. Boards in the old alleys are one inch wide.

The first 35 feet of the alley—the approach and 16 feet of the alley—are made up of White Maple, kiln dried and seasoned boards. They interlock to red pine boards, which make up the next 40 feet of alley. These boards interlock to white maple again for the four-foot pin deck. There are ten very hard fiber inserts in the pin deck, which mark the spots for the pins. The alleys are forty inches wide.

The foundation for the alleys is almost as precisely and painstakingly prepared as the alleys themselves. It has to be to keep the alleys as level and unvarying as ABC rules demand.

The first step in installing the alley is a waterproofed cement slab for a foundation. On this slab, 2x4's run cross-wise of the alleys, fastened to the cement with cement nails. These nails are fired into the boards and cement with guns. Fastened to these are 2x12's running the length

Local People Take Honors At Elkhorn

John and Margaret McInert of R.R. 2, Antioch, brought home honors from the Elkhorn Fair with the two Shetland ponies they entered.

Norjee, one of the ponies, was judged first place winner and champion stallion of the show.

Challenger, the other pony, was a second place winner.

The Fair ran Friday thru Labor Day. The ponies were judged Saturday, and headed the Parade of Champions at the Fair on Labor Day.

The ponies were handled by Mr. and Mrs. McInert and their daughter Kathleen.

ILLINOIS AUDUBON
The Illinois Audubon Society will hold its 1962 camp-out at the Illinois Beach State Park on Sept. 8 and 9. The Lake County Audubon Society as host has arranged for the program and field trips.

A delegation of residents from David St. complained that a sub-standard house was being moved to a vacant lot on David St., depreciating the value of homes on the street and requested that the board prevent the move. The house in question is the building west of Ray's Shell station, formerly occupied by Mabel's Cleaners. Marilyn Sterbenz, purchaser of the house, affirmed that she considered the exterior of the house attractive, and not a detriment to the neighborhood. The board said there were no village laws governing standards of architecture of houses, and that they were powerless to act in the matter.

George Palaske, who is moving the building to its new location, was required to post a \$5,000.00 bond for the privilege of moving it across village property (the parking lot and Orchard St.) to cover any damage that might be done in the process.

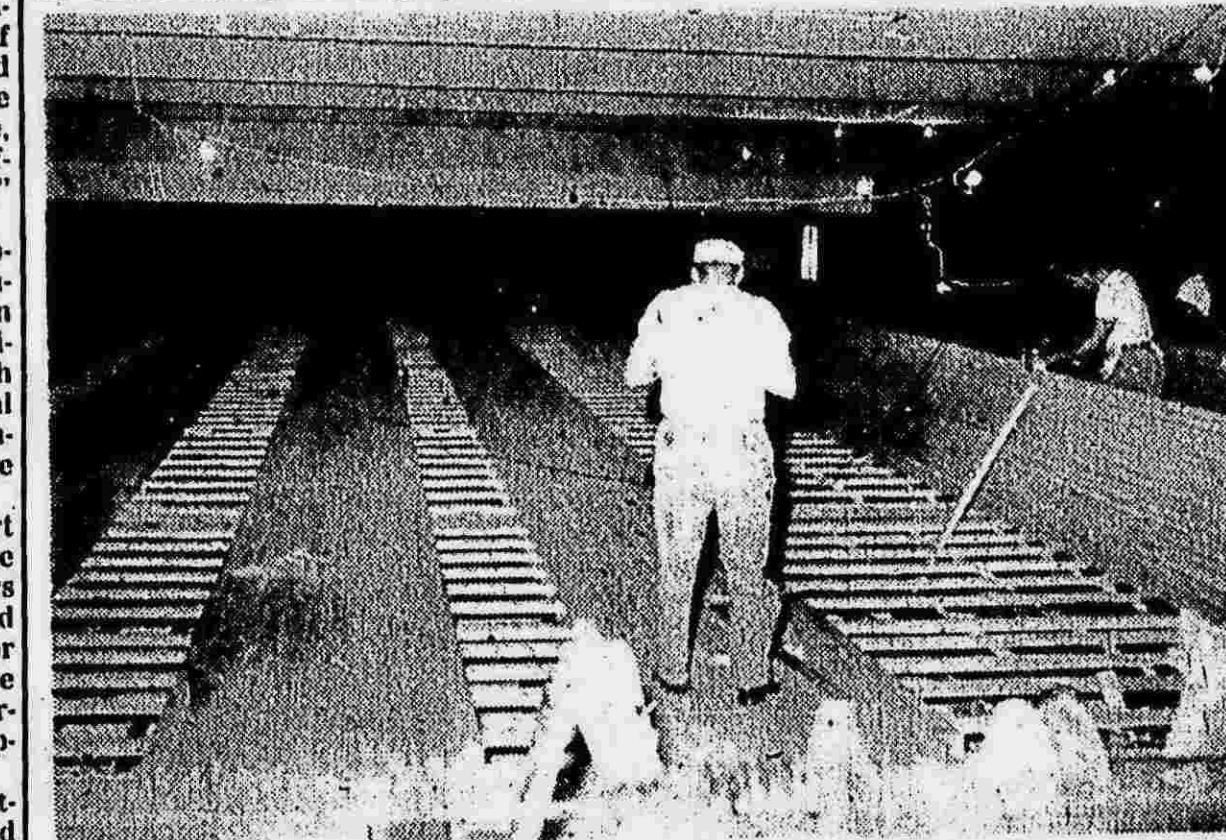

Mayor Cunningham announced that an ordinance covering the use of village water. The ordinance states that all water shall be metered to every user, and sets rates of payment. Attorney Jacobs stated that this gives the village a water ordinance "with teeth in it", which will make it possible to effectively collect fees for use of water. With the new ordinance, he stated, if a property owner does not pay his water bill, the water can be shut off in thirty days, and a lien issued against the property.

The board refused to approve bills submitted by the Midway Construction Co., on the advice of Attorney Jacobs. Jacobs stated that it was his opinion that names of companies from which materials were purchased should be included with the bills, and waivers of lien secured from each. Otherwise, Jacobs said, it was possible that the board might pay the bills, and, if suppliers of material used had not been paid, a lien could be secured against the construction. President Cunningham submitted a plat of his new proposed subdivision, called Village Green subdivision, for the board's approval. In lieu of the bond usually required of subdivision developers, Mr. Cunningham proposed to supply the board with letter stating that he had \$150,000.00 in escrow with the Antioch Savings and Loan Co., to cover cost of sidewalks, etc., in the new development. The board voted to approve the proposed subdivision.

Walsh Named Ass't. Secretary of NICC

Joseph F. Walsh, Channel Lake, has been elected assistant secretary of the Northern Illinois Conservation Club at the August meeting. It was decided that the job entailed too much work for one man.

Mr. Walsh has been a part-time resident of the area for 61 years, and has lived here year-round since 1959.

A VIEW OF THE NEW portion of the Antioch Bowl as the new alleys were being installed. At the right a workman is building one of the alleys which will be laid when completed. Alleys at the left are already laid.

Village Board Has Full Slate

A full agenda confronted the Village Board at its meeting last night.

Re-surfacing North Main Street, it was brought out at the meeting, is held up because the village officials have been unable to get a clear commitment from state authorities as to what specifications they will insist that the village conform to in re-surfacing the road. Dave Miller, village engineer, was instructed by Mayor Cunningham to meet with Calhoun, state representative, and Boller, Libertyville contractor, in an effort to reach an agreement which would enable the village to proceed with the work.

Ernest Westlund, David St. resident, complained of traffic conditions on St. Peter's St. and other streets in the area. He said signs on the streets are confusing, hidden by shrubbery, and that traffic and parking on St. Peter's Street is often so heavy and unregulated as to be dangerous. Roger Williams, board member in charge of streets, promised to investigate the matter.

The matter of sewerage which has been reported as coming out under Sequoit Bridge was tabled pending investigation.

George Wagner and Bill Lahti, suggested by Dave Nissen as members of the Zoning board, were approved by the board as members.

Ray Toft, who had purchased the two and one-half car garage on the premises being vacated west of his Shell station, announced that he would donate the building to the village to be moved to village property and used for storage purposes by the village. The board voted to accept his offer, and to pay the cost of moving the building.

The Board voted to accept the petitions of Hunter, Jensen and LaPlant that their property be annexed to the village.

In further business the board voted to approve an ordinance covering the use of village water. The ordinance states that all water shall be metered to every user, and sets rates of payment. Attorney Jacobs stated that this gives the village a water ordinance "with teeth in it", which will make it possible to effectively collect fees for use of water. With the new ordinance, he stated, if a property owner does not pay his water bill, the water can be shut off in thirty days, and a lien issued against the property.

The board refused to approve bills submitted by the Midway Construction Co., on the advice of Attorney Jacobs. Jacobs stated that it was his opinion that names of companies from which materials were purchased should be included with the bills, and waivers of lien secured from each. Otherwise, Jacobs said, it was possible that the board might pay the bills, and, if suppliers of material used had not been paid, a lien could be secured against the construction. President Cunningham submitted a plat of his new proposed subdivision, called Village Green subdivision, for the board's approval. In lieu of the bond usually required of subdivision developers, Mr. Cunningham proposed to supply the board with letter stating that he had \$150,000.00 in escrow with the Antioch Savings and Loan Co., to cover cost of sidewalks, etc., in the new development. The board voted to approve the proposed subdivision.

Dr. Aberholden, who has requested that the village install a ten-inch sewer main to replace the six-inch main adjacent to his property on South Main St., was informed that the board could take no action on the matter until cost of resurfacing North Main had been determined.

EDITORIAL

Summer's Over

The passing Labor Day marks the unofficial end of the summer season. People are returning from vacations, schools are reopening and we begin once again the regular routine of our normal living.

The first cool snap in the weather this week turns our thoughts sharply from beach parties and vacation trips to the football fields, the world series, fall house cleaning and all the other things that go with the changing season.

It's been a progressive year for Antioch thus far but it's now time to settle down to the task of completing the work already started.

The High School, nearing completion, still has many projects yet to be done. The village sewer and water project, slowed by numerous problems throughout the summer remains to be completed and put in operation.

The question of a suitable zoning ordinance still remains to be settled and finalized.

The defunct Chamber of Commerce needs to be organized and put on a healthy, active basis.

These problems and others will require hard work, common sense and sound thinking and it's about time to get started again.

Yes! summer's over and it's time to go to work again.

Joke...?

Sometime in the past few days a practical joker... or maybe it wasn't a joke, erected a sign at the entrance of Oakwood Knolls.

The sign read "You are entering the Kennedy-Cunningham dust bowl".

Whatever the persons intention it does have its humorous side. In all fairness to Mr. Kennedy and Mr. Cunningham, we must say that the dust condition in Oakwood Knolls is not entirely their fault.

The construction of water and sewer mains leaves much to be desired in street maintenance. We would hope however that in the not too distant future the streets in that area can be paved or blacktopped, after all, that's part of the village too.

Maybe if the "humorist" who placed the sign would engage in a little patience and tolerance both of these projects will be accomplished soon. What say, Mr. Mayor?

Honest, Mr. Mayor, we didn't do it.

ACCIDENTAL POISONING

An alarming increase in cases of accidental poisoning among children has been reported, Dr. Franklin D. Yoder, director of the Illinois Department of Public Health, announced.

"Reported cases in the state for the first six months of this year total 4,483 as compared with 3,263 cases reported in the same period in 1961," he said. "Estimates

based on the reporting hospitals would add at least 4,000 more cases treated in other hospitals in the state. An appalling number of youngsters appear to be victims of adult carelessness."

Cases of accidental poisoning are reported by the 78 poison control centers in the state and by about 80 other hospitals that are not official centers. There are 300 hospitals in Illinois.

Along The Way

With
Annie Mae

School days! School days! Mom is now back to routine days! Yop, Mom, no more dripping bathing suits, empty refrigerators or howling record players. You are left to the breakfast dishes, shopping trips and SOLITUDE.

THE LATEST REPORT
A disappointingly small crowd witnessed the wrestling match sponsored by the Jay Cees Friday last... and by the same token (maybe it's an indication of our tastes) a relatively large group attended the concert, Art show and one-act plays presented by the Palette Masque and Lyre Saturday night... Little Steve Smouse practically stole the Show from the experienced Hunleys... Jean Seemann's very expressive eyes kept every one enthralled during "Sorry, Wrong Number"... "A Tale of Chelm", completely nonsensical, was improved in its dying moments only by Jerry Herke's twinkling finish!

IN THE SPOTLIGHT
Looks like a second talented sister has been hiding. Lorraine Smith, who (unless I am mistaken) is a sister to Jackie Horton (artist extraordinaire), had a very well done piece on display at the Art Exhibit between plays... too bad the work done by the sculpture didn't have his (or her) name on it.

THE LAST DROP
If you noticed a new wrinkle on Tony Stanich's face, it's because he's a year older as of last Sunday... Dr. Al Bucar and Ed. Warner spent the Labor Day week-end working the reel-end of a fish pole somewhere in Wisconsin... when you get time, take a look at the sunflower patch across from Paul Chases service station on route 173 at Channel lake. It's a Heck of a patch, raised by Mr. Heck. (Oh, Brother!)

DID YOU HEAR
that with the new wig craze, Hal Boyle says you no longer ask which one has the Toni, but which one has the phony! Don't go way, Annie Mae

2nd Annual Lake Co. Music Workshop

Miss Evalene Bell, an authority on music education at the junior high school level, will be one of six outstanding guest clinicians featured at the second annual Lake County Music Workshop. She will conduct two sessions on the general music class during the morning workshop held in the First Presbyterian Church of Lake Forest, Saturday, Sept. 8.

Miss Marjorie Greener, director of music education, Waukegan City Schools, and Arnold R. Thomas, chairman of the Lake Forest College Music Department, co-chairmen of the workshop program, are working with a committee of 10 prominent Lake County music educators. The workshop is co-sponsored by Dr. W. C. Petty, Lake County Superintendent of Schools, and President William Graham Cole of Lake Forest College.

Courthouse Notebook

BY LOU BURNIN

Brace yourselves, friends! The fall harvest of political clambakes, corn roasts and steer roasts is upon us.

In past years the once-potent Grand Township Republican Club would have officially launched the fall politicking with its annual Labor Day outing, but this year the group stepped aside in favor of the Warren Township Republican Club which will launch the eat and listen season next Sunday.

The Warren club scored a beat when it arranged for the appearance of U.S. Senator Everett M. Dirksen, who will top the GOP ticket in Illinois this November, and Cong. Marguerite Slitt Church, who is closing out an illustrious career in Congress.

Norris Roberts and his committee have lined up a full program of fun and festivities for the Warren Steer Roast which will be held at the Serbian Monastery, Rte. 69 just south of Rte. 120 starting at 10 a.m.

This is the first of a series of outings, teas, and dinners which the various GOP groups in the county have lined up for the month of September.

Former State Senator Bob McClory, who resigned his Senate post after winning the GOP nomination for U.S. Representative in April, isn't waiting for his Republican teammates to get around to opening a campaign headquarters.

McClory, who hasn't quit campaigning and in fact is running as though it were late October, will open his own campaign office at 122 N. County St., Waukegan, Saturday. The coffee pot will be bubbling from 9:30 to 12:30.

The hard-running McClory is decorating his headquarters with pictures and banners of his teammates, but if a party headquarters is opened he will move some of his stuff down there and join the party.

Speaking of the April primary, whatever happened to Rick Haskins and George Francis who appeared out of nowhere to seek the Congressional nomination won by McClory and then disappeared?

Most of the other unsuccessful candidates are still making appearances at party functions. In fact Max Wildman, who finished third in the eight man race, is taking an active role in many of the affairs and is slated as the main speaker at the Waukegan

da GOP outing on Sept. 16. Jim Weitzel of Deerfield and Adeline J. Geo-Karla are seen at most of the outings, and of course, Bob Coulson, who was nominated to replace McClory in the Senate, is making all the gatherings.

While it might appear that the Republicans are the only people out hustling, the Democratic candidates in the November election are getting in their licks too.

We are frequently running into Joseph Armando, of Fox Lake, the Democratic candidate for sheriff, as he hustles about hustling votes and support and John Matjevich, of North Chicago, who is a candidate for State Representative, is also making like a serious candidate.

The candidates are also urging an all-out Democratic effort and are on the lookout for strong candidates to run on the party label in next spring's township elections.

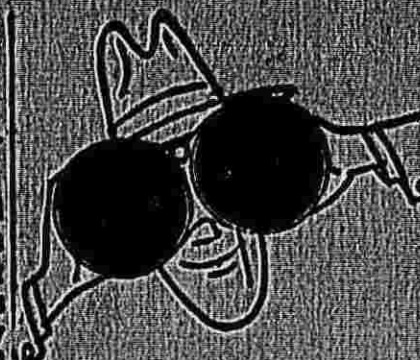

If there was any question before about the health and fighting spirit of County Clerk Garfield R. Leaf the veteran public official must have laid the issue to rest during his recent appearances before the state election commission.

Leaf, who was a pretty hardnosed football player more years ago than he cares to remember, stood his ground under the attacks of the commission members concerning his operation of the Voters Registration office and got in a few good licks of his own.

For those who remember when Lake County was the polo headquarters of the country and who would trade a good polo match for a political corn roast, the National Open Championships, featuring some of the great stars who used to play at Arlington Farms, will wind up Sunday at Oak Brook Polo Club in Hinsdale.

Among the familiar names in the tournament are Del Carroll, Cecil Smith, George Oliver, Billy Yvisaker, Bob Skene, and Bob Uhlman, all of whom used to thrill the fans at Arlington Farms.

The largest age group among blind persons—at least 50%—is over the age of 65, according to the American Foundation for the Blind.

The first large-scale test of pay-TV is being conducted in Hartford, Connecticut, with 5500 homes taking part in the experiment.

The trial is expected to extend over a three-year period. Conducted by RKO General and Zenith Radio Corp., officials expect to find out whether the public will pay for TV programs in their homes in sufficient numbers to make the general use of Pay-TV profitable.

One of the first programs shown was the Russian Ballet. Recent movies are scheduled for showing, and the first major sports event planned for the test is the heavyweight boxing match on September 25 between champion Floyd Patterson and challenger Sonny Liston. All the programs, of course, are presented without interruptions or commercials.

Charges for the various programs vary. Most recent movies cost \$1.00 per home, while the championship boxing match will cost \$3.00.

Pay-TV is not expected to compete with the regular TV programs, as the fare they offer will not be the same. Biggest objectors, of course, are the movie houses, who see their already dwindling audience slipping away.

Movie makers, of course, are for it. The promoters of Pay-TV hope that some day fifty million people will pay \$1.00 each to see a good, first-run movie. Some of the spectaculars produced in recent years have to run for years in movie houses before breaking even. If Pay-TV becomes nationwide, one night's showing could pay expenses and a profit.

The select few who have had a chance to try Pay-TV in their homes are reported to be enthusiastic. Seems it would be a boon to families with young children who long for some really good entertainment. And we're in favor of anything that keeps people at home and cuts down on traffic.

If you want to find out something, ask questions. Most people will be happy to

help you. Like the boys in the back room here. (Did I say boys?) Wha! take print or's ink out of clothes? We asked in good faith. Try a few drops of sulphuric acid, recommended Don. Concentrated sulphuric acid. Bob amplified helpfully. I use oxalic acid, myself. Harold disagreed slightly. One-track minds, obviously. No one suggested acetone.

The best joke we've heard lately. A friend was pondering out loud the problem of what to wear to a masquerade party. Her husband helped.

SEPTEMBER IS SIGHT-SAVING MONTH

Governor Otto L. Kerner has proclaimed the month of September as Sight Saving month in the state of Illinois according to Frank F. Fowle, president of the Illinois Society for the Prevention of Blindness, and suggested that all residents join with the Society in its observance.

fully suggested. "With your varicose veins, why not go as a road map?"

DON PITTMAN MOTORS, INC., 845 Main Street, Antioch

"Hi, Ho, The Merry-O- A-Driving We Will Go"

By Pearl Kapell

The Labor Day weekend has finally passed, with, as usual, more than its expected toll of highway accidents. If you came through it uninjured, count yourself blessed—or else you stayed home.

To commemorate this national holiday, I would like to nominate a few motorists to the Driver's Hall of Infamy. I have on occasion, when I encountered some of these types, felt a passing brotherhood with, and understanding of, murderers. At other times these carefree morons of the road lead me to waste my time dreaming up Rubo Goldberg inventions I should like to be able to rig up to use on them. Only my profound respect for the law—and my fear of getting caught at it—keeps me from pursuing either course.

One of my first candidates for euthanasia would be the driver who suddenly shoots out in front of you from a side-road or wayside stop, meanders along for about a block at 25 miles an hour, then just as suddenly turns off into another stop—usually a tavern.

Euthanasia is much too good for another prime example of highway idiocy. This is the guy who roars up on you from the rear, when you are either stopped in a line of traffic, or proceeding slowly in same, at what appears in your rear view mirror, to be a speed of about 90 mph. There you sit, helpless and apprehensive, as he sweeps up on you, applies his brakes at the last moment, and screams to a stop with his front bumper just touching your rear bumper—if you're both lucky. For this type—especially at night—I long to fit the trunk of my car with a stop sign, on a long telescoping arm. By pressing a button, I would suddenly shoot this red stop light out in front of him when he was perhaps 25 feet from the rear-end of my vehicle. To derive the maximum pleasure from this contraption, I would rig a camera alongside the stoplight to record his face when he was suddenly confronted with the stoplight, for my undying pleasure.

Everyone knows and loves the driver who weaves in and out of heavy traffic, passing on hills and curves at a reckless speed and with wholehearted abandon. He's in a hurry, and obviously his business is much more important than anyone else's. Wouldn't you just love to squeeze him—preferably around the neck with a rope?

Stop sign hogs are one of the little pin-pricks of modern motoring that cause ulcers in today's drivers. These are the guys who, at busy four-way stops, take advantage of the break when the car ahead of them goes through the intersection to stream closely after him in a seven or eight car line, making it impossible for anyone at the other corners to get a turn. This is catching. Everyone else, waiting, angered by the unfair advantage taken of them, promptly starts grinning through the intersection, with results that are often fascinating.

People who don't bother to use turning signals are an annoyance almost too common to mention. It's been my observation that men are more apt to commit this infringement than women. They either feel that signals are too trivial an accommodation to be worthy of a flick of their hand, or else, being used to having their minds read at home, by their wives, assume everyone they meet should be able to do likewise.

So that the women will not feel slighted, I might add that one of the most dangerous hazards on the road is the woman who, having just learned to drive, has been convinced by her husband and children that the most disgraceful and dangerous act that can be committed by a new driver is to drive too slow—too slow being less than 60 mph under any circumstances. Her determination to show that she is a seasoned, competent driver has been strengthened by the advice of a woman friend who has confided, "It's really simple. Just drive, and don't worry about whether or not you're doing everything right." The other drivers will watch out for you." Thus encouraged, she sails down the highway, slams on her brakes without ever a glance in the rear-view mirror, swings across traffic in a left-hand turn to the accompaniment of screeching brakes, and otherwise enlivens the sometimes tiresome business of driving. If two such women collide—each confident that it is the duty of the other to watch out for her—heaven help the ears of little children and of the unfortunate cop called on to mediate the ensuing discussion.

Ah, well, motoring can be fun, and life sometimes become dull. Happy highway to you—buckle your seat belt, put on your helmet, and join the fun.

Lake Villa News

Mrs. Fred Bartlett, Corrs.
Lake Villa 356-5372

The Royal Neighbors of Cedar Lake Camp gave a surprise party for Mr. and Mrs. Herman Reimer in observance of their golden wedding anniversary. Dainty sandwiches were made by Meta Jost, Neighbor Fish made date not bread, fruit salad was made by Cecile Blumen-schein, cake was furnished by the Camp. The Reimers were presented with a gold plate and a cup and saucer.

The following were present: Gerri Polson, Cecile Blumen-schein, Georgia Avery, Marie Hamlin, Helen Fish, Elizabeth Anzinger, Pamela Fish, Cella Paske, Edna Bots, Dorothy Smith, Berntha Fish, Mathilda Bartlett, also from Harvard, Mr. and Mrs. Fred Brown and Mrs. Pete Shurgut, District deputy of Lake and McHenry Counties, Bernice Nystrom from North Chicago. The men joined the party after the regular order of business.

The Royal Neighbors officers club will hold a meeting and desert luncheon Wednesday, September 12, at 12:30 at the home of Mrs. Ronald Polson, Loon Lake, Antioch. Co-hostess will be Velma Langasch.

Canada. Their daughters are staying with relatives.

Mr. and Mrs. Raymond Bartlett and family spent Labor Day visiting the Brookfield Zoo in Chicago.

Mr. and Mrs. Raymond Rathmann and family, Mrs. Clarence Perkins, Mrs. James Boerman, Mrs. Ethel Marofski and Mrs. Fred Bartlett, Sr. attended the 10th District installation at Lake Zurich Wednesday evening. Mrs. Rathmann was outgoing District director and Mary Samkus of Lake Zurich was the incoming district director of the 10th district of the American Legion Auxiliary.

The Lake Villa American Legion Auxiliary will hold their next regular meeting Thursday, September 13, starting at 8 p.m. at the home of Mrs. Harry Kraemer, Venetian Village.

Sandy Schneider spent the Labor Day weekend with relatives at Chetek, Wisconsin.

The Lake Villa Firemen's wives soft ball team played the Lake Villa Checkers Sunday in a game at Lehman Park and lost to the Checkers 17 to 34.

The Lake Villa Businessmen played the Lindenhurst men's ball team Sunday in Lehman Park and Lindenhurst won over Lake Villa.

The Street dance given by the Lake Lake Villa Business Sunday was well attended. Free watermelon was given to each child for the asking. At night the dance was held on Cedar Ave., Lake Villa, to mark the closing of the summer festivities. Bob Dunlap was chairman of the affair.

CAN'T PARK

"We all complain about the time it takes to find a place to park. It took Noah five months."—Abingdon Angus.

Lindenhurst News

Mrs. Bernice Bernice
356-5372

Warren (Bud) Flint, Commissioner of the Lindenhurst Police Department, supports Police Chief Warren Frontzak in connection with the resignation last week of Detective Captain Mike J. Fidanzo.

Fidanzo charged that an "unfair procedure" and a request for his resignation from Frontzak had led to his quitting the department.

The incident itself involved the issuance of new uniforms and an inference that Fidanzo, who has worked as a plain clothes officer, was to return to the department's uniformed division.

Flint states however that at the time Fidanzo was assigned plain clothes duties, there was not enough money to purchase blue uniforms for everyone in the department. New appropriations have been made and all men in the department will wear one.

Flint feels that Lindenhurst has little need for investigative work, and if such is needed, is able to call on other police agencies for the tasks. Flint and trustee Albert Hart feel that Chief Frontzak is doing a commendable job and described the differences that led to Fidanzo's action as a "clash of personalities". They also agree that Fidanzo is a good policeman.

Men's Club News

The Lindenhurst Men's Club will meet Thursday evening September 6 at 8 p.m. at the Civic Center on Old Elm Road. Lyle Mercer, president of the club, invites all men of the village to attend.

A short business meeting is planned. A movie about world events from 1933 to the present time will be shown.

Women's Club News

All members of the Lindenhurst Women's Club are asked to bring a childhood photo of themselves to the Women's Club meeting on September 13. Prizes will be awarded to the member who can identify the most photos. This is to be a birthday party celebration for the members who have had birthdays from January thru September. Everyone is asked to donate 1c for each year of their age.

Rummage Sale

The Lindenhurst Women's Club will conduct their annual Rummage Sale Saturday, September 8 at the Lindenhurst Civic Center from 9 a.m. until 6 p.m. The Civic Center is one block north of the Shell Gas Station on Old Elm Road. Refreshments will be available.

Anyone who would like to have their rummage picked up should call Zenia Neumann at El 6-5119 or Mary Tracy at El 6-7805.

Members are asked to be at the Civic Center Friday evening at 7 p.m. to sort rummage.

Pilatic Club

The Lindenhurst Pilatic Club will hold an election of officers at their September 12 meeting. The group met at the home of Mrs. Judy Weber, 2314 SE Thornwood Drive. For information regarding the club for boys and girls call El 6-7156.

Directory

A very enthusiastic group of men and women met at the Civic Center Thursday evening to discuss the 1963 Lakes Region Directory they will give to persons attending the Founders Day Dance, December 1. The book commemorates the formation of the Village and dedication of the Men's and Women's Clubs. There will be no aerial view of Lindenhurst with all the streets mapped out, also the lakes and towns. Names of well wishers will be listed alphabetically along with their address and phone numbers. Every person in the village will be contacted so that they may have the opportunity of being in the book. A donation of \$1.00 will be asked for this service. It will be a handy way of finding local phone numbers.

Businesses will have their name, addresses and phone numbers listed by numbers, and then their location will be placed on the map with the number, making it easy to locate them. Doug Floss, whose idea this is, will personally lay out and design all full page ads.

November 1 is the deadline for placing ads. Anyone wish-

Channel Lake News

A belated birthday party was held Sunday, August 2, for Mrs. Mildred Klug at the Robert Mahoney home on Grapevine Avenue. Mrs. Klug is Mrs. Mahoney's mother.

The party was given by neighbors and friends and the Mahoneys. A barbecue lunch was served at 1 p.m. to about twenty-five guests, after which Mrs. Klug opened gifts and the afternoon was spent socially.

Mrs. Klug's birthday was on Wednesday, August 29.

ing to place an ad may call Babe Hartwig at Elliot 6-7685.

Luther League

All young people of St. Mark's Lutheran Church in Lindenhurst are invited to attend the Kick-off Banquet of the Luther League, Sunday evening, September 8, at 8 p.m. New members will be received and an election of officers will be held.

Holy Name

The Holy Name Society of Prince of Peace Church in Lake Villa will receive Holy Communion Sunday, September 8, at the 8 o'clock Mass.

Their meeting will be held following breakfast in the school.

Night-Owls

Helen Mindak was hostess for the "Night-Owls" Friday evening. Ing Spelger had high score and won a large black Haeger Pottery ash tray. Pat Scharitz won a gravy boat and Georgia Sutherland, a pretty tea pot.

Ellen Harsh was appointed treasurer of the club and Betty Janaga treasurer of the flower fund.

Bowling News

The Lindenhurst Men's Bowling League will start their 1962-63 season Friday night at Bertrand's in Waukegan, with ten teams. Joe & Helen's—Corbin's—Lounge, Wolff's Resort, Lake Villa Pharmacy, Reliable Meats, Florio's Pizzeria, Hugh Myers Standard Service, Sportsmen's Club, Karry's Transmission and a new sponsor Lake Villa Laundry. The men on the team formerly bowled for Saddle Inn.

Anyone who might like to bowl with the league, is asked to leave their name with Steve Krakowski or John Walsh. If there is a drop out, the men may be called.

Garden Club News

The Lindenhurst Garden Club will tour the home of Phil W. Anderson in Millburn, Monday evening, September 10, as their September project. Mr. Anderson has many antique cut glass and hand painted china dishes. Some will be available for purchase. The public is invited to go with the club. Refreshments will be served free after the tour.

The ladies will meet at the home of Mrs. Lorraine Lewis, 222 S. Valley Drive at 7:15 p.m. After the visit, they will all meet back there for their regular meeting.

Home Again

Denver Shore was released from the hospital Saturday morning, after being a patient there for over two weeks. He had been operated on for a ruptured appendix. He asked me to thank all his friends and neighbors for their get-well cards.

Mrs. Carmen (Louise) Eavelle of 2403 East Deerpath Drive was sworn in as Village Clerk last Wednesday by Mayor Ted Flanagan to serve the unexpired term of Larry Klamfoth. She has been appointed to serve until the next scheduled election which will be next April.

Mrs. Lavelle is 37 years old, has been married for 14 years, and has a daughter Joanne who is 10 years old. They have lived in Lindenhurst for four and a half years. She has worked for Abbott's in North Chicago for the past three years in the purchasing department. She has had 18 years business experience. Eleven of those years were at Hot Point in Chicago, four years in other positions.

Mrs. Lavelle will have hours at the village hall from 7 to 9 p.m. on Monday and Thursday evenings. Arrangements are being made to have a village clerk during the day.

Civil Service Jobs Available At G. L.

The Board of U. S. Civil Service Examiners for the U. S. Naval Activities, Building 3400, Great Lakes, announced today that applications are being accepted for Stenographer and Typist for employment in the U. S. Naval Activities, Great Lakes, Ill., and with other Federal Agencies located in the following counties of the State of Illinois: Boone, DeKalb, Kane, Lake, McHenry, Winnebago and Kenosha County, Wis.

Opportunities for employment are very favorable at this time. Starting salaries range from \$67 to \$72 weekly with yearly raises of \$105, plus liberal vacation and sick leave, separate retirement plan, low cost life insurance and other benefits.

Examinations will be administered by the U. S. Civil Service Examiners in the following places of examination: U. S. Post Offices in Belvidere, Woodstock, DeKalb, Elgin, Aurora, Waukegan and Rockford, Ill., and Kenosha, Wis., and by the Board of U. S. Civil Service Examiners, U. S. Naval Activ-

Blindness Often a Multiple Ill with the Aged
For many in the over-65 group blindness comes late in life, often in combination with other illnesses. Effective assistance, according to the American Foundation for the Blind, may range from rehabilitation training to intensive economic support.

Engaged

MARY HERTEL announces engagement. (Candid by Lee)

Mr. Anthony G. Hertel, Sr., of Grayslake, has announced the engagement of his daughter, Mary Marie, to Lawrence W. Lang, Jr., son of Mr. and Mrs. Lawrence W. Lang, Sr., of Antioch.

A late October wedding is being planned.

NEWS OF ANTIOCH ASSEMBLY, ORDER OF RAINBOW

The Antioch Assembly, Order of Rainbow for Girls, will meet on Monday, Sept. 10, at 7 p.m., at Masonic Temple. Harriet Wells, Worthy advisor will preside.

There will be election of officers for the next term. Mrs. Mildred Gillum and daughter Marg will serve refreshments.

At the recent visit of the Grand Worthy Advisor, Diane Welker, she appointed Juanita Gillum and Susan Lind-

News of Antioch Legion Auxiliary

Mrs. Warren Edwards, President, Mr. and Mrs. Edward Jahnke, Mr. and Mrs. George Swenson, Mrs. Paul Chase, Mrs. William Chase and Mrs. William Davern were present at the annual Tenth District American Legion Auxiliary Installation of Officers, held in Lake Zurich American Legion Hall, on August 29th.

In a beautiful and most impressive ceremony, Mrs. Norman Samkus, Lake Zurich, was installed as District Director by Miss Alice Youngs of Lake Forest, the Installing Officer of the evening. Mrs. William Chase was installed as District Sergeant-at-Arms, by her mother-in-law, Mrs. Paul Chase, past Department Sergeant-at-Arms. Mrs. Edward Jahnke was appointed District Publicity-Radio-TV Chairman; and Mrs. Warren Edwards was made a member of the District Finance Committee. Mrs. Ray Rathmann, Lake Villa, Junior Past District Director, was presented with her Director's Bar by Mrs. Harry Read of Round Lake. Nearly 300 Auxiliary members, Legionnaires, and guests were at this installation.

Blad for the Grand Choir at Grand Assembly in 1963. Harriet Wells was appointed Grand Page for the same session.

At the same meeting Mrs. Jill Anderson Boss, a past worthy advisor of Antioch Assembly, received her marriage majority. Due to the absence of Mrs. Martha Hunter, Mrs. Wilma Gibbs, mother advisor of Antioch Assembly, presented Jill with her marriage majority degree.

Ptasienski-Lewis Wedding At St. Patrick's On August 25th

Margaret Ann Ptasienski became the bride of Ronald J. Lewis in a double ring ceremony at St. Patrick's Church in Wadsworth at 2 p.m. on Saturday, August 25. The bride is the daughter of Mr. and Mrs. Anthony Ptasienski of Kenosha. The groom is the son of Mr. and Mrs. Floyd Lewis of Antioch. Father Slattery officiated at the wedding. The bride was given away by her father.

The bride's gown was of floor length silk organza over Bridal taffeta. The bodice had an oval neckline, outlined in raised flower appliques, short sleeves, and a bouffant skirt with a chapel train. Her cascade bouquet was of white roses and stephanotis, framed in ivy.

The matron of honor was Mrs. Edward Sattler, sister of the bride, and bridesmaids were Miss Joyce Lewis, sister

of the groom, Miss Sally January and Miss Dolores Baumgarten, cousin of the bride. They wore cocktail length gowns of blue tulle, fashioned with Grecian sheer bodices and controlled bell skirts. Matching hairbraids, crowned with pearls, held their circular veils. The matron of honor carried white carnations on a blue lace fan, and the bridesmaids carried blue carnations on a white lace fan.

Robert Jarnigo, cousin of the groom, served as best man, and ushers were Paul Morman, Lee Lewis, brother of the groom and Joseph Lewis, also brother of the groom.

A reception was held at the J.M. Club in Waukegan at 6 p.m. Mr. and Mrs. Lewis are on a honeymoon trip to Colorado and Arizona. On their return, they will be at home at Petite Lake Park in Lake Villa.

MR. AND MRS. RONALD J. LEWIS after their wedding in St. Patrick's Church.

MISS SUSAN ROMER and James E. Simpson were married on August 25 in Lake Villa.

Susan Romer, James Simpson Wed At Lake Villa August 25

Susan Marie Romer, daughter of Mr. and Mrs. John F. Romer, of Lake Villa, became the bride of James E. Simpson, son of Mr. and Mrs. W. Earl Simpson, of Downers Grove at 8 p.m. on Saturday, August 25.

The Rev. Gerald B. Robinson officiated at the double ring ceremony, held at the Community Methodist Church in Lake Villa. The bride was given away by her father.

The bride's gown was of white tulle, floor length, with a princess bodice and long sleeves of French lace. The back of the gown had a panel of gathered tiers of lace. The chapel length veil was held by a pearl crown. She carried gardenias and lilies-of-the-valley on a white Bible.

The maid of honor was Susan Simpson, sister of the groom. Bridesmaids were Judy Cavanaugh and Judy Pearce, sorority sisters of the bride. The attendants of the bride wore gold brocade dresses with bell skirts,

matching brocade shoes and headpieces of wreaths of gold brocade leaves holding fingertip veils. The maid of honor carried large rust and copper colored mums. The bridesmaids carried bouquets of small pompon mums in gold and rust colors.

Best man was Ted Flucinski of Harvey, Ill. Ushers were Bill Nauman, brother-in-law of the bride, and Paul Fagerman and Wayne Rabold, fraternity brothers of the groom.

A reception at the Methodist Church Fellowship hall followed the wedding. Mr. and Mrs. Simpson are on a ten-day honeymoon trip to Colorado. They will be at home after September 10 at 806 Illinois, Urbana, Ill.

The bride is attending the University of Illinois, majoring in Music Education. The groom also is attending the University, majoring in Physical Education. Mrs. Simpson is a member of Alpha Chi Omega and Sigma Alpha Iota. The groom is a member of Theta Xi.

"Where The Boys Are—"

Meetings & Events

Mr. and Mrs. E. F. Erkman, Mrs. Dorothy Wallace and Miss Louise Erkman of Carmi, Miss Martha Wallace of Evansville, Indiana, and Mrs. Elizabeth Behler of Woodstock spent the Labor Day week-end with Mrs. H. B. Gaston and other relatives in the area.

Mr. and Mrs. Robert Carey and son Jeff of Bloomington left Antioch Tuesday afternoon after spending the Labor Day week end with Mrs. Carey's parents, Mr. and Mrs. William Hanson, and her grandmother, Mrs. L. V. Siller.

E. Morley Webb of Mexico City is the guest of Mrs. B. R. Burke and other relatives in Antioch. Mr. Webb is a former resident of Antioch.

A party at the home of Mrs. Emma Roblin on August 24 was enjoyed by Mrs. June Albrecht, Deloris Abderholden, Barbara Felt, Julia Palaski, Joan Stahmer, Elaine Gallagher, Libbie Zabran and Nina Bailey.

Refreshments were served and guests later spent the afternoon playing cards and

News of Servicemen

Corporal Yates is now stationed at Camp Pendleton, California.

dominoes. The door prize was a 1963 screen art calendar, won by Deloris Abderholden.

CHURCH SCHOOL OPENS

The St. Ignatius Church School will resume classes on Sunday, September 9, at 9:30 a.m.

Mr. and Mrs. Richard Carter and children of Dayton, Ohio, spent last week with Mrs. Carter's parents, Mr. and Mrs. N. E. Sibley.

Mrs. Thomas Magath of Sarasota, Florida, left Tuesday after visiting for the holidays with her sister, Mrs. David Deering.

COUPLE OFF ON HAWAIIAN TRIP

Mr. and Mrs. William J. Phillips of Rt. 3, Box 435, Antioch, sailed from San Francisco Saturday, September 1, aboard the luxury liner Lur line, bound for Hawaii.

Student Council Holds 1st Meeting

The 1963-64 Student Council of Antioch Typ. High School held its first meeting Thursday evening, August 29. The meeting was held at the home of Harrison Brown, faculty advisor to the council.

The council consists of two boys and two girls representatives from each class, the class president of each class, and the officers and is an important voice in school affairs.

Among topics discussed at the meeting were the 1962 Homecoming, to be held October 12. The theme will be "Around The World". Floats will all be related to this theme. Other business included the appointment of Solveig Nelson as publicity chairman. Council members also agreed to help with registration September 4th and 5th.

The council will begin regular meetings with the commencement of school. Members in attendance were Carol Sisson, Janet Polley, Jane Edwards, Solveig Nelson, Rick Prossie, Don Blackman, Roy Rihlmaki, Dave Cardiff, Marilyn Gras, Suraya Brook, Sue Polley, Sharon Camphouse, Mark Nelson, and Jim Edwards.

Fox Lake Garden Club Slates Show

The Fox Lake Garden Club will present its annual flower show "Fiesta Garden Party" Wednesday, Sept. 12, at the American Legion Home on Rt. 12.

Exhibitors may bring entries in between 8:30 and 10 a.m. Everyone is eligible to enter. The show is not limited to Garden Club members.

In the Horticulture Division, there are classes for flowers, vegetables, fruits, and house plants. The Artistic Division covers classes for those who have never won a blue ribbon, corsages, miniatures, arrangements in a copper or brass containers, and dried arrangements.

The show and luncheon will start at 12:30. Tickets may be obtained at the door. There will be cards.

Further information may be had by contacting Mrs. P. Kabot, flower show chairman, or Mrs. Sam Smith, Club president.

LOCAL COUPLE OFF ON EUROPEAN TRIP

Mr. and Mrs. David A. Fitzgerald of Bluff Lake will sail from New York on Sept. 12 for a two-month tour of Europe. They expect to tour several European countries, including England, France and parts of Germany, returning some time in November.

RUMMAGE & BAKE SALE

A rummage and bake sale will be held at Wesley Hall in the Methodist Church on September 20 and 21.

Births

Mr. and Mrs. David Runyard are the parents of a son, Robert David, born August 31 at St. Therese Hospital and weighing six pounds seven ounces. They have another son, Michael.

Mr. and Mrs. Leonard Needham's newest addition was born August 17. His name is Todd. He has two older sisters, Kim and Renee.

Nancy Nemeec & James Smith Joined in Marriage Recently

Rev. Stephen M. Ladd officiated at the 4 p.m. wedding Saturday, August 25, of Miss Nancy Marie Nemeec and Mr. James Dale Smith.

The bride is the daughter of Mr. and Mrs. Joseph Nemeec, Route 5, Box 401, Antioch, and the bridegroom is the son of Mr. and Mrs. F. Dale Smith of Onida, Ill.

The double ring ceremony was held in the United Protestant Church, Grayslake, and the bride was given in marriage by her father. The matron of honor was Mrs. Faith Lasco of Antioch, cousin of the bride, and bridesmaids were Miss Carol Smith, sister of the groom, Mrs. Marge Holm of Northbrook, Miss Harriett Rosenberger of Woodlawn, and Miss Glynn Hewitt of Carbondale, Col.

MR. AND MRS. JAMES SMITH were married August 25 at the United Protestant Church in Grayslake. Mrs. Smith is the former Nancy Nemeec.

THE ANTIOCH NEWS 4 THURSDAY, SEPT. 4, 1963

jeweled queen's crown of rhinestones and pearls. The bride carried a crocheted wedding handkerchief made by her aunt, and her bridal bouquet was a cascade arrangement on her grandmother's prayer book from Czechoslovakia, of a white Cattleya orchid, phalopsis and stephanotis.

The matron of honor and bridesmaids wore turquoise tissue silk over taffeta street length sheaths, gently accented neckline, with elbow length sleeves. Matching overalls had a bow at the front waistline. The pillbox hats of matching material had a side-draped bow with mesh veil.

The matron of honor carried a cascade bouquet draped on a white lace fan of gardenias, yellow roses, and ivy. The bridesmaids' bouquets were also draped on white lace fans, but were of gardenias, white elegans and ivy. The tiny flower girl was a miniature bride in white tissue silk, a copy of the bride. She carried a basket of yellow rose petals.

Mr. Kenneth Smouse, soloist, sang, and was accompanied by Mrs. Walter Aschenbrenner at the organ.

A reception for 150 guests honored the newly married couple at the American Legion hall in Fox Lake. Mrs. Edward Nemeec was in charge of the guest book.

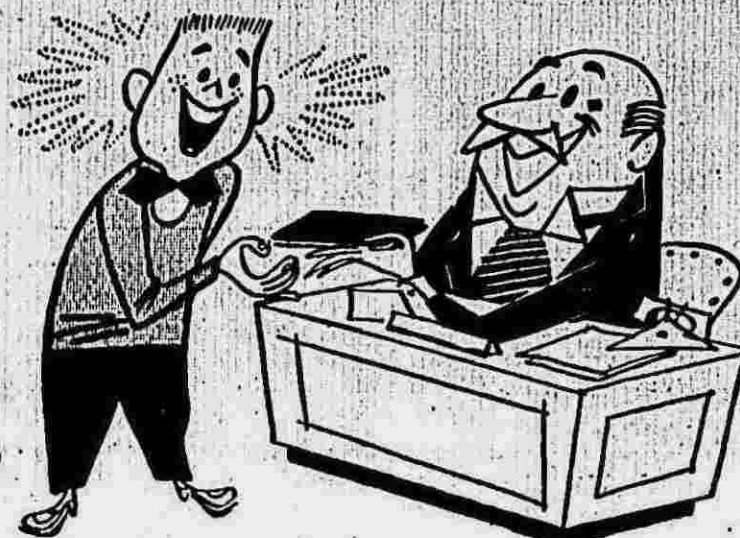

The new Mr. and Mrs. Smith are honeymooning at Niagara Falls, Canada, and will make their home in Lawrence, Kansas, after Sept. 2, where James will be doing his graduate work. Both are graduates of Southern Illinois University.

STUDENT NURSE

Bonnie Reed, daughter of Mr. and Mrs. Steven Reed, Route 1, Antioch, is beginning her junior year at the Grant Hospital School of Nursing in Chicago. Miss Reed is in the second year of a three year course of study which will enable her to become a registered nurse.

Because Grant Hospital is one of the few in the nation which has the progressive patient care program, student nurses at the hospital have a unique opportunity to study under this program. Under the system, patients are cared for in intensive, intermediate and self-care units.

Give him the prestige of his own checking account

College students like the NO MINIMUM BALANCE feature of our special checking account. They have all the prestige of having a checking account of their own, yet can keep as much or as little as they wish in the account. Their allowance checks can be deposited weekly or monthly directly in the account making the funds promptly available for use. A sound banking connection and experience in handling a checking account is something that will come in mighty handy in the future. Open an account for your boy or girl soon... they'll appreciate the trust and confidence and enjoy the prestige a checking account brings to young people.

PAY BILLS BY CHECK

Open your special checking account with any amount. No minimum balance is required. The only expense is for a book of checks to use as you please.

20 CHECKS \$2.00 NO OTHER CHARGES

PERSONALIZED CHECKS FREE!

Your name and address professionally printed on each check. Checks are numbered for your convenience. Handy register makes record keeping easy.

PAY IN (NO.)
CONVENIENT, EQUAL
MONTHLY PAYMENTS

Pay your heating bills the easy way through our Monthly Budget Plan. Here's how it works: we calculate your oil consumption for a normal winter, then divide the total into equal monthly payments. There's no extra charge for this plan.

At the end of the payment period, we refund any overpayment; or, if you've exceeded the estimate, bill you for the balance.

Reduce those mid-winter heating bills; spread your heating costs over the year.

THEY TWISTED their way to a trophy at Twin Lakes. Miss Dale Collins and Art Letke took first in the dance contest last week at the Twin Lakes Ballroom.

Kenosha County Gets Oral Polio Vaccine

This means SABIN ORAL SUNDAY. Sabin Oral Sunday is Oct. 21. On that day, the Kenosha County Medical Society will make the first of three Sabin Oral Polio doses available to every person in the county.

The Sabin Oral vaccine is the most effective known method of wiping out polio. A cube of sugar is sprinkled with three drops of the vaccine and then it is eaten. There are no side effects or reactions. In fact, children enjoy the experience.

Persons who have had the Salk vaccine should take the Sabin oral vaccine since the Salk vaccine is effective for only a limited period of time. The Sabin Oral vaccine is more permanent and may eliminate the need for booster shots.

Clinics will be held on Sunday, Oct. 21 at 17 schools throughout the city and county of Kenosha. The schools for each area in the county will be announced in a few weeks.

October 21 will be the first of three Sabin Oral Sundays. Other dates will be Sunday, Dec. 2, and Sunday, Jan. 13, 1963. Families must participate in this program on all three dates for the protection against polio to be effective. All persons six weeks and over should be protected.

Although the Kenosha County Medical Society is sponsoring this program, it will be a community-wide effort. It is expected that a voluntary contribution of 25 cents per person on each of the three Sabin Oral Sundays will help defray part of the costs of the materials.

However, no person will be turned away if unable to pay. Complete details will appear shortly in the Antioch News.

But save these dates:
Sunday, Oct. 21, 1962
Sunday, Dec. 2, 1962
Sunday, Jan. 13, 1963.
S.O.S.

Cluttered Stairs Cause Many Falls

Cluttered stairways should be outlawed. There's just no room for them and the nasty falls they cause. How to do it is another problem because it's next to impossible to police a whole family of "clutterers."

Here is one plan for keeping stairs clean. It is suggested by O. L. Hogsett, extension safety specialist at the University of Illinois.

Pick the worst offender. Appoint him or her "chief" in charge of keeping the stairs clean. The "chief" can turn his job over to the first "stairway clutterer" he catches.

While you're on the stairway problem, try to learn why things are left on the steps. If you provide a handier, safer place for newspapers, magazines, soft drink bottles, brooms, mops, and other articles, no one will be tempted to use the stairs for storage.

Good lights that can be

Best Twisters At Twin Lakes

Champion twisters at the dance held last week at the Twin Lakes Ballroom were Miss Dale Collins of R. 4, Antioch and Art Letke of 322 Cedarwood Lane, Antioch.

Other winners were Sharon Friedrich of Chicago and Jerry Pankstukas of R. 4, Antioch.

The Twin Lakes Ballroom will start another series of Twist Contests on Friday, September 7.

P.T.A. Meeting In Chicago Scheduled

The state board of managers of the Illinois Congress of Parents and Teachers will hold their fall meeting beginning Sept. 11 at the Conrad Hilton Hotel, Chicago, with approximately 73 members in attendance.

Two separate orientation meetings will be held—one for the 33 district directors and the other for the 32 state chairmen.

At both meetings discussions will center on the 33 district conferences to be held in the state beginning September 24 through November 8.

Reports will be presented to the board of managers concerning the program and arrangements for the 1963 convention to be held in Chicago on April 25 through April 27.

A workshop on Revenue Reform for the State of Illinois will be conducted by Dr. Edward Stulken, Oak Park, legislation chairman, Ralph Clabaugh, Arlington Heights, school education chairman, and Marvin Berge, DeKalb, school finance chairman.

The board of managers will elect a nominating committee to present a slate of nominees for the four departmental vice presidents and the secretary to the delegates at the 1963 convention.

The executive committee of the Illinois Congress will meet immediately prior to and after the meeting of the board of managers.

controlled from both the top and bottom of the stairway will make stairs safer. Also make sure the stairway has a good, sturdy handrail.

Lake Villa Library Shows Increase In Summer Reading

"It has been a very active and successful summer for our library," said Mrs. Virginia Boike, librarian.

The very young children in the area have come to the library for a special story hour, conducted by Mrs. Florus Albert each Thursday morning for ten weeks. Their enjoyment and learning were obvious to all who came in during their private time in the library.

Mrs. Frances Williams of the Prince of Peace school has posted lists of good reading for the 5th, 6th, 7th and 8th grades. Many students in this age group have been reading large numbers of books. They seem to enjoy Mrs. Williams' suggestions.

Mrs. Boike stated that many high school students and recent high school graduates are doing considerable reading from their school lists of required reading.

All age groups, including adults, seem to have increased their reading for pleasure. This summer's circulation figures are far ahead of those for last summer.

Circulation of hi-fidelity phonograph records is also increasing. Mrs. Boike made a special trip into Chicago

to purchase many fine new records. They are now enclosed in a beautiful new record cabinet which will soon be labeled as a memorial to the late Charles Madsen. This memorial is the gift of Charles Wullenbacher, Lake Villa.

The Board and Staff of the Lake Villa Township Library very proudly announce the dedication of the Eugene Prange Memorial Bookshelf for Boy Scouts August 28, at 5 p.m.

Present will be the donor of the memorial, Mrs. Herbert Prange, mother of the late Eugene Prange; Delbert Sherwood, Lake Villa Scoutmaster, and two high-ranking Boy Scouts in uniform. The public is invited.

This memorial collection will contain books useful to Boy Scouts and other outdoor enthusiasts. It is a very appropriate memorial to a boy who ranked high in Boy Scouts of America and who

Savings Bonds Sales Down

Lake county residents purchased a total of \$507,802 in series E and H United States savings bonds in July, according to Philip L. Spedel, general county chairman of the savings bonds committee.

Sales of both series in the state of Illinois totaled \$28,851,435 which is 6.4% below last year's total for the month, according to Arnold J. Hauen, state director of the U. S. Treasurer's savings bonds division. Illinois sales accounted for 3% of the national total which was \$358,000,000. In the first seven months of this year sales in the state totaled \$62,5% of the annual Illinois quota which is \$382,000,000.

was highly rated as a "Good Scout" by all who knew him.

Legal Notice

AN ORDINANCE establishing charges or rates for the use and services of the combined waterworks and sewerage system of the Village of Antioch, Lake County, Illinois.

WHEREAS, the Village of Antioch, Lake County, Illinois, by proceedings had in manner and form provided by law, has heretofore been authorized to construct a combined municipal waterworks and sewerage system in and for said village, and has provided for the operation of such combined waterworks and sewerage system as a single utility all as provided by the laws of Illinois, including particularly Division 139 of Article 11 of the Illinois Municipal Code, effective July 1, 1961, as amended, and all laws thereunto enabling; and

WHEREAS, pursuant to the terms of the laws hereinabove referred to and pursuant to the ordinances heretofore adopted by the President and Board of Trustees of this Village in reference to the construction and improvement of said combined municipal waterworks and sewerage system and in reference to the issuance of waterworks and sewerage revenue bonds for purposes of financing the construction and improvement of such combined waterworks and sewerage system it is necessary that said Village charge the inhabitants of said Village for the use and the service supplied by said combined municipal waterworks and sewerage system, establish rates and charges therefor, and provide for the collection thereof;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, as follows:

Section 1. That there is hereby established an executive department of this Village to be known and designated as the combined Waterworks and Sewerage Department of the Village of Antioch and there shall be placed in charge of the general management and control thereof a Superintendent, who shall be appointed by the Village President, with the approval of this Board of Trustees expressed by ordinance, it being hereby determined and declared that the establishment of said Department and the appointment of a superintendent thereof as aforesaid is necessary and expedient for the best interests of said Village. Said Superintendent shall qualify for office in the same manner as any elective official of said Village and shall post such bond in such amount as may be determined by the Village President. All necessary employees of said Department shall likewise be appointed by the Village President with the approval of the Board of Trustees expressed by ordinance.

Section 2. That there shall be and there is hereby established rates and charges for the use of and for the services supplied by the combined municipal waterworks and sewerage system of the Village of Antioch, Lake County, Illinois, based upon meter readings of the amount of water consumed, as follows:

WITHIN THE CORPORATE LIMITS

WATER AND SEWER RATES: For each residential, commercial and industrial user of the water and sewer service (including schools, clubs, public buildings and any other buildings of any other character), the quarterly charge as shown by water meters shall be as follows:

I. Water Service
First 5,000 gal. per quarter, or less\$4.00
Over 5,000 gal. but less than 25,000 per quarter \$0.55 per 1,000
Over 25,000 gal. but less than 50,000 per quarter, \$0.45 per 1,000
Over 50,000 gal. per quarter\$0.40 per 1,000

II. Sewer Service:
First 5,000 gal. per quarter, or less\$3.00
Over 5,000 gal. but less than 25,000 per quarter, \$0.30 per 1,000
Over 25,000 gal. but less than 50,000 per quarter, \$0.25 per 1,000
Over 50,000 gal. per quarter\$0.20 per 1,000

III. Village of Antioch and All Public Buildings
A. Fire Hydrant Rentals
B. Public Buildings

All water supplied shall be metered to the consumer and no sewer service shall be supplied unless the premises or properties to be so served are connected with the system.

IV. Industrial:
The payment of flat rates per month for sewer service shall cover all reasonable usage, but not including industrial usage, or any other usage which the President and Board of Trustees determines to be unreasonable.

If such users contribute waste in excess of normal domestic sewerage waste which averages 200 parts per million of B.O.D. then the rates and charges to such users shall be based on such loadings contributed by such industrial plant or building, such loadings to be based on the strength of sewerage contributed as well as the gallonage contributed. In cases where the character of sewage from any industrial plant, building or premises shall be such as to impose a burden upon the sewerage disposal plant and system in addition to the burden imposed by the average sewerage entering into the sewerage system of the Village, then the President and Board of Trustees reserve the right to enter into separate contracts with such industrial plant, building or premises for special rates and charges where the particular circumstances render the regular rates for service inadequate or unjust. The above sewer rates shall be made effective when connection for sewerage service is made to the combined waterworks and sewerage system.

OUTSIDE THE CORPORATE LIMITS

Users of the combined waterworks and sewerage system of the Village whose premises are located outside of the corporate limits of the Village shall have 50% added to their bill based upon the classification of the premises and service rendered.

SECTION 3: The owner of the premises and the occupant thereof and the user of either water or sewerage service, or both water and sewerage service, shall be jointly and severally liable to pay for the service on said premises, and the service is furnished to the premises by the Village of Antioch only upon the condition that the owner of the premises, occupant and user of this service, are jointly and severally liable therefor to the Village of Antioch. Bills shall be rendered quarterly and shall be payable within twenty (20) days after the date thereof.

SECTION 4. In the event the charges for service are not paid within thirty (30) days after rendition of the bill, for such service, such charges shall be deemed and are hereby declared to be delinquent, and thereafter such delinquencies shall constitute continuing liens upon the premises and real estate upon or for which water or sewer services are supplied by the combined waterworks and sewerage system as provided herein.

Whenever a bill for water or sewer rates remains unpaid thirty days after it has been rendered, the Village Clerk shall file with the Recorder of Deeds of the County a sworn statement of lien claim. The statement shall contain a sufficiently correct legal description of the lot or tract of land to identify the same; the balance due after allowing all credits, the date when such amount became delinquent, and a notice that the Village claims a lien for this amount. No lien shall be defeated up to the proper amount thereof because of an error or overcharge on the part of the Village; nor shall any such lien be defeated upon proof that such order or

water or sewer rates were incurred by a tenant of the premises or occupant other than the owner.

The Village has the power to foreclose this lien in the same manner and with the same effect as in the foreclosure of mortgages on real estate.

The remedy provided in this Section for the collection of delinquent water or sewer rates shall not be construed to abridge or in any manner interfere with the right and power of the Village to enforce a collection thereof by any other action authorized by law or as otherwise provided in this ordinance; but the remedy provided in this section shall be taken and held as an additional means to enforce payment of such delinquent water or sewer rates.

SECTION 5. If the charges for water and sewerage service, or either of them, are not paid within thirty (30) days after the rendition of the bill for such service, such service shall be discontinued without further notice and all past due bills are paid in full, together with payment made of Five Dollars (\$5.00) for reinstating such service.

SECTION 6. It is hereby made the duty of the Village Clerk of said Village to render bills for water and sewerage service, or either of them and all other charges in connection therewith, and to collect all moneys due thereon.

SECTION 7. All revenues and moneys derived from the operation of the combined waterworks and sewerage system shall be held by the Village Clerk separate and apart from his private funds and separate and apart from all other funds of the Village, and all of said sums, without any deductions whatsoever, shall be delivered to the Village Treasurer not more than ten (10) days after the receipt of the same, or at such more frequent intervals as may from time to time be directed by the President and Board of Trustees.

SECTION 8. The Village Treasurer shall receive all such revenues from the combined waterworks and sewerage system and all other funds and moneys incident to the operation of said system, as the same may be delivered to him, and deposit the same in a separate fund, designated as the "Waterworks and Sewerage Fund of the Village of Antioch", and said Treasurer shall administer said fund in every respect in the manner provided by Division 139 of Article 11 of the Illinois Municipal Code, effective July 1, 1961, as amended, and all other laws thereunto enabling.

SECTION 9. Said Village Treasurer shall establish a proper system of accounts and shall keep proper books, records and accounts, in which the complete and correct entries shall be made of all transactions relative to the combined waterworks and sewerage system, and at regular annual intervals the Village shall cause to be made an audit by an independent auditing concern, of the books, to show the receipts and disbursements of the combined system.

SECTION 10. That a copy of this ordinance, properly certified by the Village Clerk, shall be filed in the office of the Recorder of Deeds of Lake County, Illinois, and shall be deemed notice to all owners of real estate of their liability for water and sewerage service supplied any occupant or user of such services on their properties.

SECTION 11. All ordinances and parts of ordinances in conflict herewith are hereby repealed in so far as the conflicting portions thereof are concerned.

SECTION 12. This ordinance shall be in full force and effect upon its passage and publication as provided by law and rates for water and sewer service described herein shall be applicable after September 1, 1962.

Adopted September 4, 1962.

Stillman Wins Again At Wilmot; Season Closes Next Week

Eddie Stillman of Milwaukee, currently leading the point standings for 1982 Driver Honors at the Kenosha County Speedway in Wilmot, added another feature to his credit tonight as he won the 75 lap feature race in a record time of 24:01.30. The old record was 24:44.21 and was set just a year ago by Don Score of West Allis, Wisconsin.

Luck helped Stillman in his win as tough luck befell Rob Ratajczyk of Milwaukee who led the race up to the 64th lap when he broke an axle in his Chevy powered modified. Kenny Heiden of Barrington battled with Stillman while Ratajczyk was in the lead but Stillman finally took command of the second place position just as Ratajczyk dropped out.

Third place went to Bill Bohn of Bristol who also set fast time with a one lap circuit of 19.24 seconds. Fourth was Tom Ashenbrenner of Milwaukee and fifth was Geo. Uttek of Kenosha.

The 15 lap semi was won

by Rod Fuller of Racine in as good a semi as has been run all year. His time was 5:01.30. The four ten lap heats were won by Fuller, Nels Bush of Racine, Jr. Dodd of Waukegan and Bill Shoulders of Waukegan. The wins scored by Rod Fuller were seven and eight and make him the winningest driver of the 1982 season.

Spectator car events were won by Mike Wolff of Lake Villa, Illinois, who took over the lead in the spectator car division as leading point driver Pop Kilne of Pell Lake and Rodger Hagler of Antioch, Illinois.

Rounding out the first five in modified standings behind Stillman are Bob Karry, Waukegan; Fred Reynolds, West Allis; Don Score, West Allis; and Tom Ashenbrenner, Milwaukee. Next Saturday night will mark the last race of the 1982 season with a 100 lap feature race. Extra money has been put up for time trials and the feature race as well as lap money.

30 In. Pike Pulled In

JOHN PRINE, 1516 N. Springfield, Chicago, holds the big Northern pike caught in Grass Lake Channel. (Antioch News photo)

"You won't get anything with that night crawler on your hook," Barney Thompson had just informed his grandson, John Prine of Chicago.

Johnny promptly proved Grandpa doesn't always know best by hauling in a six and one-half pound, thirty-inch long Northern Pike.

The fish was caught in Ferrin's Grass Lake Channel. John was spin-casting and had a four-pound test line on. He was fishing from the pier in front of his grandfather's home.

Mr. Thompson, who lived on Second Avenue in California Subdivision for about three years, moved to the home on Grass Lake Channel about a year ago.

Boat Races Slated at Fox Lake Soon

The Chain O' Lakes Boat Club of Fox Lake is completing final arrangements for the 3rd annual Illinois Governor's Cup Regatta. The well-known powerboat classic will be staged Sunday, Sept. 23 at Fox Lake. The host for the event is the Mineola Hotel on the West shore of Fox Lake in Mineola Bay. The exciting program will begin at 1 p.m. with testing held beforehand.

The Chain O' Lakes Club is the sponsor with the American Power Boat Association providing the sanction. Veteran boat enthusiast Commodore Ed Sullivan has engineered the entire program to thrill the thousands of spectators expected.

Some of the Nation's fastest racing boats will make up seven classes of powerboat events. SK racing runabouts, E racing runabouts, 150 hydroplanes, 280 hydro planes, family inboard runabouts, and Unlimited Pleasure-craft single and dual engine, make up the program which includes the Illinois State Championships. Many out of state competitors are also expected to vie for honors.

Last year's Governor's Cup winner, Ed Zender, Jr., of McHenry will be on hand to defend his title. However, Ed Olson, the 1980 winner of Garden Grove, Calif., is not expected. Officials of the club hope to see some of the keen West Coast competition. Trophies have been donated by businessmen of the area to the first three places in each class. Cash prizes are anticipated pending the outcome of the Governor's banquet to be held at the Wing and Fin Lodge near

Racing Sat. and Sun. at Midwest Track

Another big weekend of racing is scheduled for the Waukegan Speedway next Saturday and Sunday night, September 8 & 9. Track manager Mike Kalthian is staging another Saturday night program of sportmen and Late Model racing, followed by the 16th Sunday night program of modified stock and sportmen stock racing.

After a week's vacation, Len Kanne, Kenosha, will return to pilot his 1959 Ford in hopes of seeking his second victory. His car has won twice, but last week it was piloted by Jack Frost of Zion. Bob Dugan, Gurnee, will also be seeking his second win in the Late Model Division. Dugan drives a 1961 Ford.

Eddie Stillman, Milwaukee, will be seeking to increase his point lead in the modified division races for Sunday night. Stillman heads a field of some 50 modified cars. Dennis Burgan, Zion, who will pilot a '57 Dodge in the Saturday late model races, will head the sportmen division for both Saturday and Sunday in a '55 Studebaker. Burgan leads the sportmen division events by nearly 200 points over his closest competitor.

Danny Yates Receives Scholarship

Danny Yates, son of Mr. and Mrs. Earl Yates, 287 Bridgewood Drive, Antioch, received a 4 year scholarship to the University of Wisconsin.

Danny Yates

sin, it was learned this week. Yates graduated from Salem Central High School last June and will report to the Madison, Wisconsin, campus the middle of September.

A four letterman at Central, Yates broke all scoring records his senior year, compiling 393 points for a 24.5 points per game average.

Danny also led the squad in rebounds and was a large factor in Salem's domination of the Southeast Conference last year.

The Monday night Tavern League will start their season's bowling at 6:45 p.m. on September 10.

Volo on Saturday night, Sept. 22.

Due to previous commitments Governor Kerner will be unable to attend. However, Frank "Dixie" Davis, will present the large Governor's trophy. Davis is the boat safety supervisor for the Illinois Department of Conservation.

Matt Walter of Fox Lake will be the honorary race chairman and Lou Eppel of Libertyville the official referee. Boat club officials expect one of the best regattas in recent years.

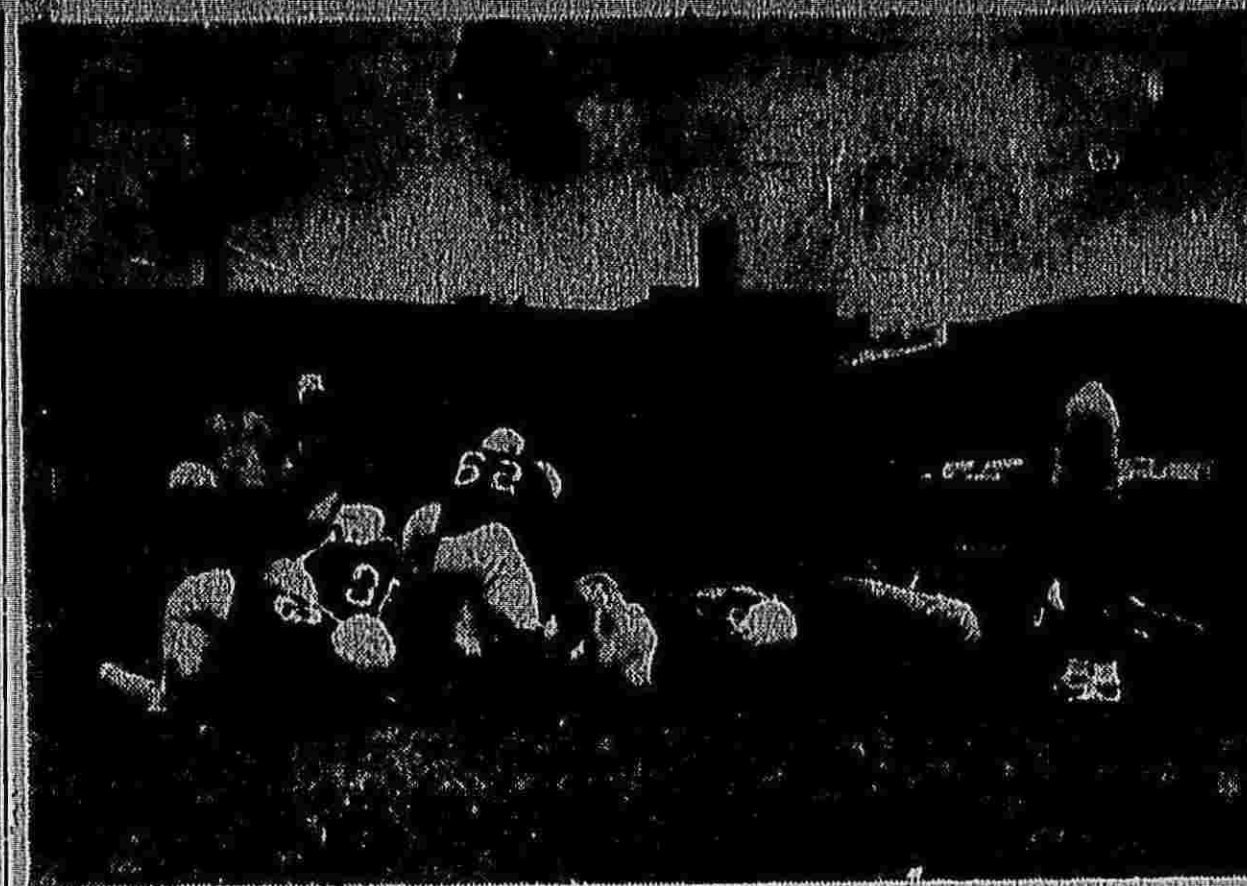

By having all events packed into a one day program, instead of two as in the past, the club expects to provide a better spectator show.

Scout News

If you're the parent of a Cub Scout of St. Peter's Pack 300, or of a boy seven and one-half years old or more who is interested in becoming a Cub. Pack Leaders ask that you attend the "Parents Only" night on Tuesday, September 11, at 8 p.m. at St. Peter's Church Hall.

Parents will have a chance to meet their boy's Scout leaders and get acquainted with the Scouting program and other parents.

Scout leaders, who spend unlimited hours on the Scout program, feel that parents of the Cubs should be willing to devote one and one-half hours a year to his Scout program.

Football's Lively History

It's a safe bet that few games have as lively a history as football.

Football is an ancient sport. A game called harpaston was played by the Spartans as early as 500 B. C. In this game a ball was kicked, passed, or carried across the opponents' goal line.

Strikingly similar to a modern football was the follis, used in Roman games. It was made of leather and inflated with air, but evidently was propelled by foot, not by hand and arm.

A game called calcio, a modified form of harpaston, enlivened medieval tournaments in Italy. The players, 27 on a team, used line and backfield formations similar to those of football today.

A brawl-like kind of football was played in England as early as the 10th century and by the 12th it had become a national problem.

The game was making London a bedlam. In addition it was diverting yeomen from archery, the sport that fitted them to defend England. Hence football was banned by municipal laws and royal edicts beginning in 1365 when Edward III decided to prohibit the game for military reasons.

Football was not fully reinstated until the 17th century when Charles II allowed many diversions formerly prohibited. A survey published in 1602 recorded that goals were set three or four miles apart and two or three parishes united to play others in games that sprawled over the countryside.

The sport began to take definite form at boys' schools. Some even drew up rules. These allowed the ball to be kicked, but not carried toward the goal.

One November afternoon in 1823, something strange happened at Rugby, a famous boys' school. The score was tied in a football battle between two class teams. Dusk was settling. Suddenly a player named Ellis "with a fine disregard for the rules of football as played in his time, took the ball in his arms and ran with it" across the goal line. The score was not allowed. The event made history, however, and began Rugby football from which

the American game is directly descended. A tablet at Rugby commemorates Ellis' exploit.

By 1863 the new game of Rugby had become very popular. Those who clung to the old idea that football should be played by kicking the ball met in London and formed the Football Association. Thereafter this game was known as "Association football" or "soccer" a jumbled abbreviation of the word association.

Soccer still holds to the pre-Rugby style of game and uses a round ball. The ball, after being in play, may not be carried or touched by the hands or arms, except by the goalkeeper. It is advanced chiefly by kicking and dribbling with the feet. A goal is scored when the ball is kicked underneath the crossbar of the goal posts.

Rugby, the parent of intercollegiate football, is little played in the United States. In the British Isles, however, it is so important that disputes over rules are taken before an international board composed of representatives from the Rugby Unions of England, Scotland, Wales and Ireland. Rugby resembles the American game in that the ball is oval and may be advanced by carrying, passing and kicking. It differs notably in having 15 men on a team and in placing a higher premium on field goals.

Football, probably brought to America by the English colonists. An inflated pig bladder usually served as the ball for these early games. Women played, too, because throwing and passing were more important than kicking. Early in the 19th century football games were played at Harvard and Yale to determine class supremacy between freshmen and sophomores. The "games" were hardly more than mass rushes and "stug tests." In 1860 authorities at Harvard and Yale ended these brawls and Harvard student held a mock funeral for "Football Fightum."

An important step toward making football a recognized sport was the organization of the Oneida Football Club of Boston in 1862. The founder of this "first organized football club in the

U. S." was Gerrit Smith Miller.

First Football Game Between Colleges

The first American football game grew out of rivalry between Princeton and Rutgers. On Nov. 6, 1869, the contest took place at New Brunswick, N. J., and Rutgers won 6 goals to 4. The game was played with 25 men on a side. A few days later Princeton won at its home field, 8 to 0, but rivalry between the two colleges became so bitter that school authorities forbade a third and deciding game.

In 1875 Harvard and the McGill University Football Club of Canada introduced the Rugby principle of running with the ball. The two teams played part of one contest under Harvard (soccer) rules and the remainder of the game under the Rugby rules of McGill. Rugby impressed Harvard players so favorably that they decided to abandon what was called the "somewhat sleepy type of game" then played.

By 1876 the right to run with the ball was generally recognized.

Here are other milestones from Football's lively history: In 1873, the University of Michigan challenged Cornell and arrangements were made to play at Cleveland, 30 men on a side. The proposed game never took place because Andrew Dickson White, then president of Cornell, ruled: "I will not permit 30 men to travel 400 miles to agitate a bag of wind."

In 1880, Walter Camp, the "father of American Football" persuaded the rule makers to reduce the number of players on a team from 15 to 11 and to replace "scrum" with scrimmage, whereby the ball was put into play either by kicking it or snapping it back. The position of quarterback was also created in 1880.

In 1882 Camp introduced a rule calling for surrender of

THE ANTIOCH NEWS • THURSDAY, SEPT. 7, 1982

Reimer & Shoulders Score At Waukegan

Sunday, September 2 John Reimer, Caledonia speedster, Sunday night won his second consecutive feature victory for modified stock cars at the Waukegan speedway.

Reimer, who has been having more than his share of tough luck during the earlier part of the season, blasted his way into the lead position on the fourth lap and was never again headed as he averaged 50.68 mph to win by nearly an eighth of a lap over second place Eddie Stillman of Milwaukee.

Bill Shoulders, North Chicago, came home the winner of the 15 lap semi-feature for slower qualifiers. His speed was 50.17 mph. Shoulders, in recording his first modified win here this season, took the lead from Racine's Ron Larsen on the eighth lap and then had to fight off Rod Fuller, another Racine ace, for the remaining distance as the two finished less than a car's length apart. Larsen took a close third.

the ball to the opponents if the ball had not been advanced at least 55 yards in three plays. This was the origin of the 10 yards-four downs rule.

In 1896, A. A. Stagg helped organize the Western Conference or Big Ten which pioneered in setting up and enforcing eligibility rules and amateur standards.

In 1901, Fielding H. (Hurly) Yost, football coach at the University of Michigan produced a famous team built around a freshman, Willie Heston, which scored nearly a point for each minute of play. It amassed 550 points in 11 games and kept its opponents scoreless.

In 1906 the rule makers revolutionized the game by barring all mass plays and introducing the forward pass which led to a more open style of play.

More spectacular than either Stagg or Yost was Glenn S. "Pop" Warner who took over the football team at the Carlisle Indian School in 1899 and subsequently introduced the unbalanced line with single and double wing backs to create what was called the "Warner system" of play.

Professional football started at Latrobe, Pa., in 1895, the National Football League was formed in 1921 and in 1960 the American Football League began play with teams in eight major cities.

Frost Wins; Fires, Crashes Halt Race

Waukegan, September 1—Jack Frost, long time favorite of modified stock car fans, came out of retirement briefly Saturday night, and walked off with a win and a new track record in the 20 lap Late Model feature. He had earlier won an 8 lap trophy dash and set the fast qualifying time for the late models.

Don Miller, Gurnee, had jumped off to an early lead in the 12 car feature and seemingly was well on his way towards his first win in this division when Frost came charging through the pack, overcame the 1/2 lap margin Miller had built up and took the lead on the 10th lap. He went on to average 46.95 mph in winning to erase the former mark of 46.42 mph that Kanne had set on August 13.

Bob Dugan, Gurnee and his '61 Ford placed a close second while Denny Burgan, Zion placed third. Cary Peachman, Waukegan, driving a 1957 Dodge, caused anxious moments for fans and drivers alike. In the heat race he tangled with two other cars and sailed into the wall. In the feature he was consistent in getting into the way of other drivers, by driving slow on the inside lanes. Finally, only feet from the finish line, he spun off the track, recovered and shot back on, catching Jim Boyle, Kenosha, squarely in the front end and wiping both cars out. Neither was able to continue across the line.

Burgan Tops Sportsman Races

Fans were treated to more than a usual number of thrills in the sportsman events. Denny Burgan, set a new ten lap record in a heat race and then topped a 16 car field in the 12 lap feature, stopped twice because of accidents.

On the second lap of the feature the cars driven by Butch Anderson and Jim Cossman, both of Waukegan, spun on the south turn. Newcomer Don Grant of Deerfield, Ill., came into the turn, hit Cossman's car squarely in the rear while under full power, and halfway climbed into Cossman's machine. A few seconds later, as Grant was trying to back down, sparks ignited Cossman's ruptured fuel tank and within moments flames enveloped both cars. Both drivers hopped out uninjured as track officials doused the fire with dry chemical and CO2 and quickly extinguished it. Cossman's car was completely demolished from the driver's seat back, while Grant's front end will need considerable work before it can run again.

The race was stopped again, this time on the 4th lap, when Glen Eichmann's number 54 caught fire in the rear wheel, presumably from a hot brake drum. Efforts to black flag Eichmann failed and the red flag came out to stop the race. Eichmann however pulled in-

to the pits and the fire went out on its own accord.

Other accidents eliminated still more cars from the field and six finished the 12 lap distance with only three of them in the same lap.

Another speedway spectacular took place on the third lap of the third heat event when the machine driven by Marty Martin, Waukegan, rolled several times on the south turn. While rolling, Butch Anderson's car climbed Martin's and they came to rest with Martin's overturned auto lying on its side, and Anderson's front end atop it. Neither driver was injured.

Burgan averaged 42.98 mph in winning his heat to erase the former mark of 41.20 that he had set on May 20. Ed Jones, Waukegan, set still another track record in the 6 lap trophy dash for sportsman cars, averaging 42.67 mph.

Drag Races Sept. 8 & 9 at Union Grove

The Sixth Annual National Drag Racing Championship Races at the Great Lakes Dragaway at Union Grove, Wis., will be held on Sept. 8 and 9 this year.

The drag strip is on Hwy. 45, 12 miles north of the Wisconsin-Illinois state line.

Time trials will start at 9 a.m. each day. On Saturday, stock car eliminations and speed runs will be conducted from 6 p.m. to 10 p.m.

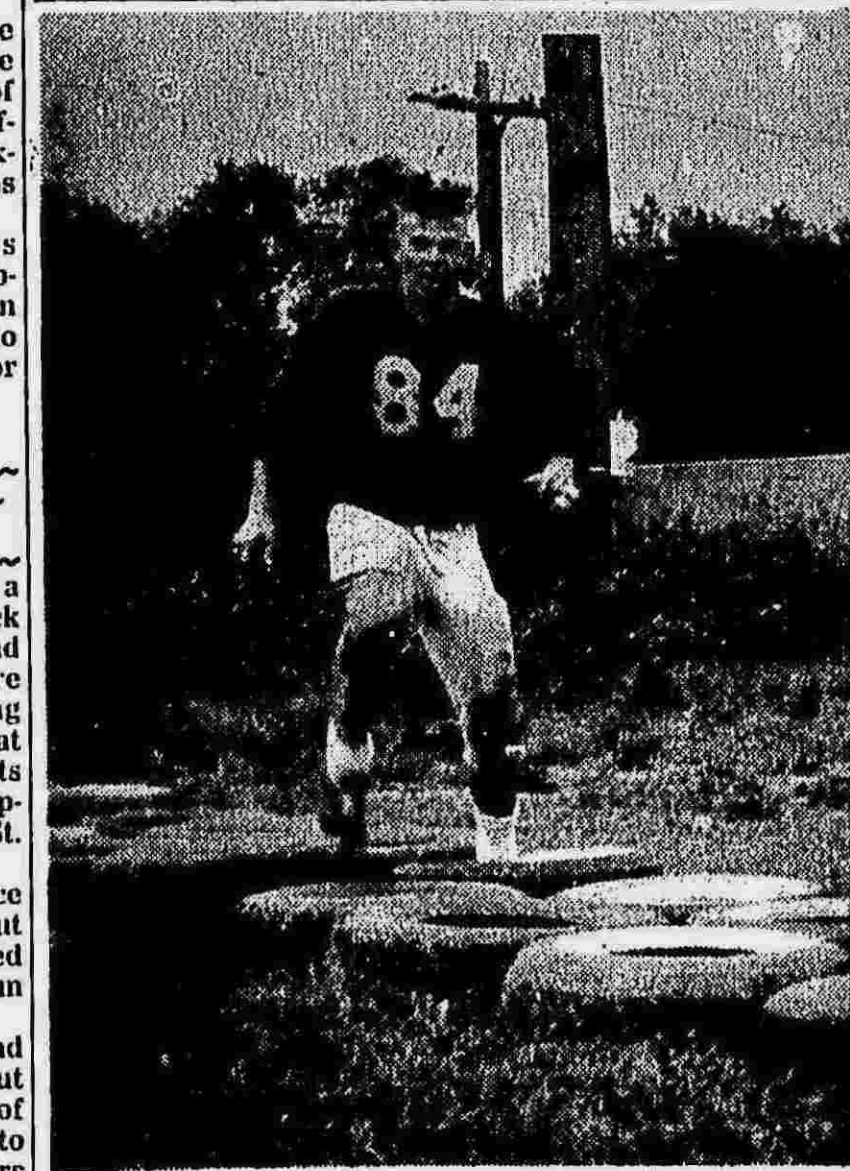

Sunday, Sept. 9, Hot Cat eliminations start at 1 p.m. More than 2550 entries are expected to race in 9 divisions this weekend.

The track is lighted for night racing and is fully equipped to handle spectators, with grandstand seating, parking and other conveniences.

For further information contact Lynn Bennett at Garden 55-6287 before Sept. 8, on Sept. 8-9, at TR 8-2800.

LOU PORTALSKI of Channel Lake with boat owners Dick Flood, left, and brother, Bob, right. The Floods' boat, "Greyhound", driven by Portalski, will be one of the top contenders in the September 23rd Governor's Cup Regatta on Fox Lake.
